Appomattox Court House To Accept Applications For Several Work & Volunteer Programs

The month of January has been set aside by the Historical Park to accept applications from residents interested in part-time employment at the park over the next two years. Superintendent Gil Lusk feels that "While we do not have many job openings in any given year an applicant supply file here in the park will assist us in selecting qualified local residents for the few part-time openings we do have available. Positions might range in character from weekend work to periods of as long as three to six months in areas such as public contact and maintenance. Being an Equal Employment Opportunity Employer we welcome applications regardless of race, color, sex, age, religion or national origin."

During this same time applications will be accepted for participation in the 1975 Volunteer-In-Parks (VIP) program at Appomattox Court House. If you are interested in occasional costumed work greeting our visitors and providing them with insights into the story of Appomattox, your application would be welcomed.

Applications for all of the above programs and additional information may be obtained from Mrs. Frances Avery at the park or by calling 352-8987.

Super Dollar Stores, Inc. Reports Sale Increase

Super Dollar Stores, Inc., has reported a 6% sales increase and a 20% rise in earnings for its third quarter ended November 9, 1974. For the current three quarters, sales of $9,868,000 were up by 6% and earnings of $242,000 rose 5% over last year.

Leon M. Melvin, its president, reported the company has been authorized to purchase up to 100,000 shares of its common stock in the "over-the-counter" market. He also reported that although better merchandising offset general consumer resistance to buying in part of the third quarter, growing resistance has sharply reduced sales for the past weeks.

At quarter-end, this Raleigh-Headquartered Company had 86 stores in operation in the Carolinas and Virginia as compared with 85 a year ago.
